

Ironing Board Usage Guide

1

1. Location of the Ironing Board:

The ironing board is located on the ground floor of the apartment building. From the main entrance, walk straight ahead, past the elevator, and you'll see the ironing board mounted on the left side.

2

2. Lowering the Ironing Board:

- Turn the hook on the right side of the ironing board to the right to release the lock.
- Carefully lower the ironing board until it is horizontal.

3

3. Preparing the Iron:

- Plug the iron into the power outlet.
- If needed, fill the iron with water to use the steam function.

4. Ironing:

- Set the desired temperature on the iron and wait for it to heat up.
- Iron your clothes on the ironing board.

5. After Use:

- Turn off the iron and unplug it from the power outlet.
- Allow the iron to cool down before putting it back.
- Fold the ironing board back up and turn the hook to the left to secure it.

Note: Please make sure to leave the ironing board and iron in good condition after use. Thank you!
